

EDUCATION PROGRAMS

Thank you!

Your suggested contribution of \$20 helps us continue to **grow forestry education and workforce development programs** in North Carolina.

2025 Snapshot

- Trained **321 educators** through Project Learning Tree
- Trained **43 educators** during the **Sustainable Forestry Teachers Experience (SFTE)**

100% of educators rated their opinion of the forest products industry as extremely or very favorable post-SFTE.

- Reached **over 18,500 North Carolina students, teachers, and community members** via educational programs, career fairs, and events.
- Awarded **70 students** the **Certified Forest Worker** credential.

“ My students were so excited to complete the forestry course and obtain the credential. Thank you so much for all the hard work you guys did to make this such a success. ”

“ [This was a] phenomenal experience! Thank you for investing in teachers to spread the word [about] sustainable forestry! I will tell the story! ”
